## RAIN RAIN GO AWAY COME AGAIN TODAY?

**W**e awoke this morning raring to go on the road to Dawson City.

I dumped \$113 worth of gasoline in the vehicle and off we went to the Reindeer farm. It had been raining all night and it was sporadically pelting us now.

Gene and Don had things to do in town so they would meet us at the farm.

We arrived at the farm and the sign said they were closed because of

### *COME IN OUT OF THE REIN DEER, YOUR PENS GETTING WET!*

wet pens. Knowing that they couldn't write us anything, we left and continued towards Dawson in the sometimes heavy rain. We bought a cinnamon roll that feeds four people.

*WE ALMOST SAW YOU, YOU BEAR, YOU.*

## THE RAIN IN SPAIN FALLS MAINLY ON THE PLAIN

**T**he rain continued to fall intermittantly all thru the day.

We went thru an area of a 1995 fire of 350,000 acres. We followed the Yukon river and the Pelly river. A rain storm with hail

that hit the windshield so hard we thought it would break. We drove 229 miles today and stayed in a grassy field tonight. A couple of native kids stopped and told us that a black bear had crossed the road next to us.

**GENE FINALLY BOUGHT A TAPE ABOUT ALASKA WILDLIFE SO WE COULD FINALLY SEE SOME! OUR WILDLIFE CONSISTS OF PLAYING CARDS & MEXICAN TRAIN!**
