## ON THE ROAD AGAIN!

**W**e woke up early today to see Don & Diane & Sophie off to the States.

We had a lot of fun times with them on this trip, and with the two of us we were able to help each other when we had problems.

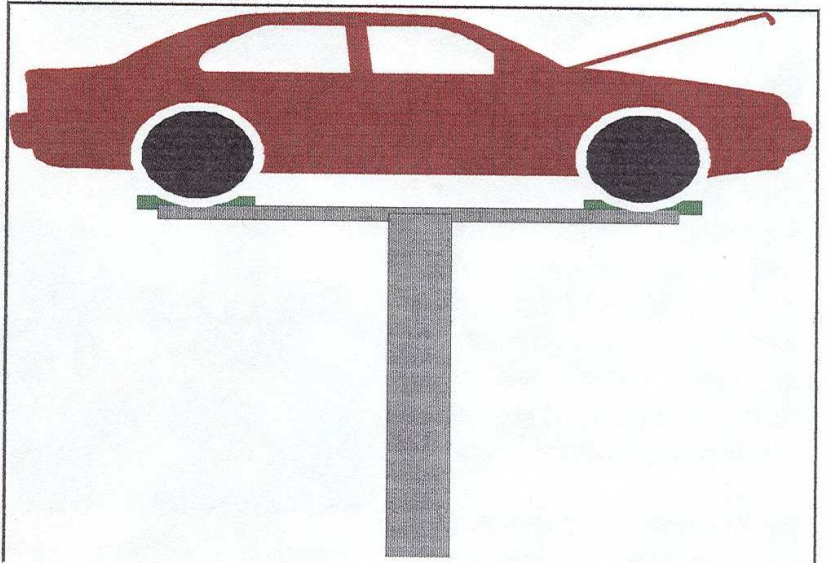

We then left to go to the RV repair place when they opened.

We planned on staying in the coach while they worked on it.

Last night I tried the step

**WHY DOES EVERYTHING WORK WHEN YOU TAKE IT TO THE MECHANIC?**

and I heard the lever working, now that it dried out. The mechanic hooked up the step arm and it all worked fine. He could see no reason it failed, so it could fail again!

*PRETEND THIS IS A MOTOR HOME!*

## SOME MOUNTAINS GROW ON YOU, SOME LEAP ON YOU!

**I**t was about noon when we finally got on the road. The Trans Canada Highway went thru some forested country. Some areas had been severely logged. Nothing to write home about. There were few houses

and even towns.

Sneaking up on us as we rounded a corner was a spectacular view of Mt. Robson, the tallest peak in the Canadian Rockies. It was a beautiful site. We are camped at its foot!

**BEAUTIFUL DAY TODAY!**

**SAW ONE LONELY LITTLE BEAR CUB TODAY, EATING BESIDE THE ROAD.**
