WE DO LAKE LOUISE AND BANFF!

We got to sleep in today!

After breakfast we started off for Lake Louise. The first thing to change that was the road to Lake Moraine.

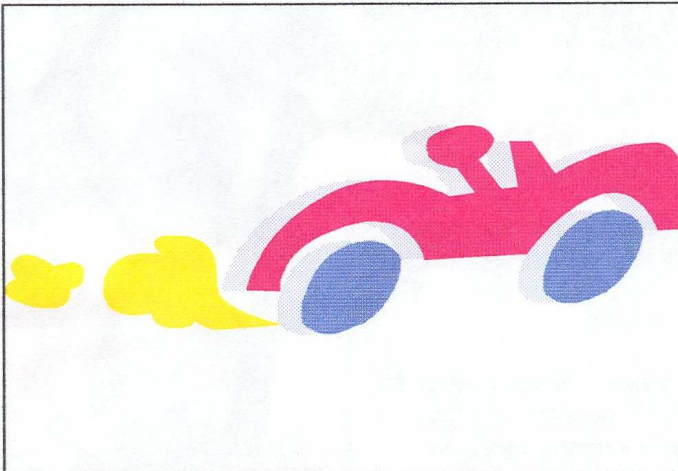

This was a beautiful glacier lake and there were so many people and cars and buses that we had to park on the road and walk blocks to the lake.

As lunch time overtook us we decided to eat here. It

I CAN'T BELIEVE THE TRAFFIC JAMS JUST TO SEE A LAKE!

was a delightful lunch looking out over this beautiful glacier blue lake!

After lunch we went to Lake Louise and its lovely Hotel Lake Louise.

WE GET TO EXERCISE THE HONDA TODAY!

THE OLD SAYING, "YOU CAN'T GO HOME" IS SO TRUE!

The last time we were here they were building a new wing. They have completed it now and everything matches. They have expanded everything! Parking lots, condos, new lodge down the road, one

can hardly recognize how it was.

There are tourists from everywhere, Japan, Germany, India. There are more Japanese here than in Hawaii! The signs are even printed in Japanese.

VERY WARM!
